IEC New England training facility is the perfect location for your next business meeting, staff retreat, or class. The facility is conveniently located at 1800 Silas Deane Highway in Rocky Hill, approximately 500 yards from I-91, Exit 24. Not only are our classrooms the perfect setting for you to conduct your business, it is a fraction of the cost of a hotel or banquet facility.

Each of the four classrooms can seat 50 people classroom style. The furniture in the classroom is modular so the room can be set based on your needs. The classrooms are individual rooms with their own doors and restroom.

The rooms are rented by the hour, 1/2 day or full day and the classroom rental rates include wireless internet access, LCD, laptop, screen, white board, lectern, on-site facility staff support and plenty of free parking. There is no rental fee for IEC New England members.

IEC New England has a full kitchen for your use. Or if you prefer the staff will provide catering suggestions. Contact Cheryl Dudus at the IEC New England office to arrange a site visit, availability or for more information.
